

WLSg

StGp2025

Our weight loss surgery support groups are an excellent resource of weight loss information and support. You'll find people who share your goals of health and wellness. The support groups are a forum for celebrating successes, such as the improvement or resolution of co-morbidities. The groups are devoted to people who have common experiences, who can share their feelings in a safe environment, and develop relationships that can contribute to imp

Silvana Blanco, Bariatric Dietitian
